NDIS Support Services Coordination of Supports

Who are we?

Seeds is a registered provider of NDIS services.

How can we help you?

The **National Disability Insurance Scheme (NDIS)** has been established to provide support to individuals with a severe or permanent disability.

Support Coordinators play a very important role in assisting NDIS participants, their carers, family and supporters to become better at

- ✓ making choices
- ✓ setting goals
- ✓ building awareness in the community.

What we do?

We work with participants to:

- Explore the appropriate support system
- Be informed about all available options
- Identify providers and services that will meet identified needs/goals
- Assist participants, carers or family members to coordinate services
- Strengthen available supports
- Get to know NDIS processes
- Implement and manage their NDIS plan
- Manage crisis
- Support participants through the NDIS review process
